**A note on candidates for judicial retention:**  
 In Indiana, judicial candidates may be disciplined if they answer IRTL's questionnaires about abortion. Currently we do not have enough information on the candidates for judicial retention to accurately identify their positions. Indiana Right to Life is one of several plaintiffs seeking Supreme Court review of state regulations that place limits on the ability of judicial candidates to campaign for judicial office.

## Federal Candidates - Survey Questions

1. With respect to any health care restructuring legislation, would you vote for language, along the lines of the Stupak-Pitts Amendment, that would cover all provisions of the legislation with strong prohibitions on federal subsidies for abortion and insurance plans that cover abortion, and strong guarantees against federal pro-abortion regulatory mandates, on a permanent basis (i.e. without requiring that Congress renew pro-life restrictions on an annual basis)?
2. Would you oppose any "health care reform" bill that does NOT contain language, along the lines of the Stupak-Pitts Amendment, that would cover all provisions on federal subsidies for abortion and for insurance plans that cover abortion, and guarantees against federal pro-abortion regulatory mandates, on a permanent basis?

4. Would you oppose all federal funding for stem cell research that requires the destruction of human embryos?
5. Would you vote to oppose any efforts to weaken or eliminate the current Hyde Amendment policy that prohibits federal Medicaid money from being used to pay for most abortions, or for being used for managed-care plans that include abortion?

11. Would you vote for legislation that would make abortion clinics, and organizations that operate abortion clinics, ineligible for Title X funding?
12. Would you vote for legislation to ensure that drugs federally controlled under the Controlled Substances Act may not be prescribed or dispensed for the purpose of assisting suicide?
